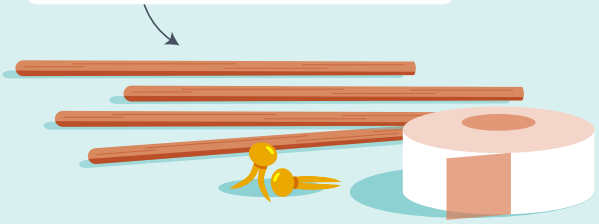
Crea i tuoi dinosauri snodati

Con Janod®

Ti servono 4 legnetti tipo spiedini lunghi almeno 15cm, del nastro biadesivo e dei fermacampioni



Unisci le teste e le code sui corpi dei dinosauri pioni con i fermacampioni

Metti il nastro biadesivo dietro la testa e la coda del dinosauro e attacca gli stecchini

Passo 1
Chiedi ad un adulto di stampare i fogli

Passo 2
Ritaglia i due dinosauri sulle linee tratteggiate

Passo 3
Fai un buco in corrispondenza delle crocette nere

Passo 4
Segui le istruzioni sulla sinistra per assemblare i dinosauri e trasformarli in dinosauri snodati
