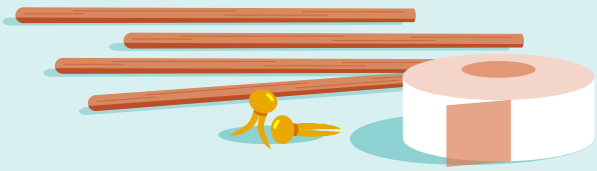
Create your own dancing dinos

With Janod®

Gather 4 wooden sticks at least 15cm long, double sided tape, and paper fasteners



Assemble the heads and tails on the Dinosaur's body

with paper fasteners

Apply double-sided tape behind the Dinosaur heads and tails and stick the wooden sticks to the tape

Step 1
Print out the sheets

Step 2
Cut out the two Dinos on the dotted lines

Step 3
Make a hole in the black crosses on the Dinos

Step 4
Follow the instructions on the left to complete the assembly of the dancing Dinos
