Passo 1

Stampa i fogli

Passo 2

Taglia i due quadrati e incollali assieme

Passo 3

Taglia i quattro angoli sulle linee tratteggiate

Passo 4

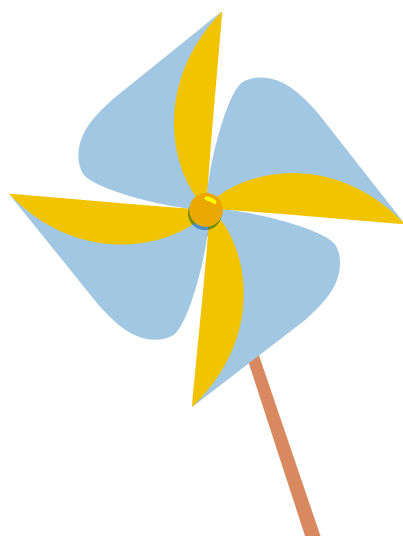

Ripiega i 4 angoli al centro sovrapponendo le X

Passo 5

Fai un buco e inserisci un fermacampioni per tenere assieme i 4 angoli

Passo 6

Fissa con del nastro adesivo l'estremità di uno stecchino per completare la girandola

Pssss: Personalizza la tua girandola
