Technical comments

PRODUCT
- This set is made up of 52 magnets (2x26 letters)
- Magnets dimensions : (Height 40mm), (Thickness 4mm)
- Material : plywood
- Paint/Printing : paper sticker with matt varnish
- All edges should be rounded
- Please pay attention to the pantones given for reference.

PACKAGING :
Same as our current J07037-40:
- 4 C matt printing closed color box
- dim. : **14.5x8x16.5 cm**
- same quality as box J07037
- The box has a fabric handle (lenght 35cm, width 2cm, thickness 2mm) fixed by 2 metal rivets. Same color as on the picture.

- The magnets have to be delivered in a plastic bag with zipper. The average thickness of plastic bag must equal or above 0.04mm, with no individual thickness below 0.038mm.

3 pcs per inner carton / 24 pcs per master carton

REQUIRED TESTS :
* EN71 / ASTM-CPSIA / Cadmium / PCP/ Phtalates / Formaldehydes

POSITION OF BATH CODE AND CE LOGO :
Exceptionally, CE logo has not be mentioned on the product (magnets are too small)
Bath code has to be sticked behind the "G".
